

REMARKS

By the present amendment, claim 33 has been amended to incorporate the limitations of allowable claim 40 and all intervening claims from which claim 40 depends. Claims 32-39 have been canceled. Claims 1-30, 31 and 41-51 remain in the application.

Applicant will not file a Request for Reconsideration with the Board or an appeal to the Court of Appeals for the Federal Circuit or to the U.S. District Court for the District of Columbia.

In view of the foregoing remarks and amendments and in view of the decision of the Board of Appeals in Interferences, it is believed that all remaining claims in the application are allowable. Early notification of allowance is respectfully requested.

Respectfully submitted,

Timothy R. Hawes
